Nunavut Arctic College Exchange Programs

POLICY

The Board of Governors supports Exchange Programs for both College staff and students.

PRINCIPLES

1. Exchange Programs with other educational institutions are viewed as an important part of the educational process.
2. The College recognizes the diverse range of mutual benefits which may be derived from student exchange programs.

PROCEDURES

2. Exchange Programs shall be organized to provide participants with a balance of academic, linguistic, and cross-cultural experiences.
3. All requests for Exchange Programs must be submitted by the Dean or designate to the President or designate for initial approval.
4. Each Exchange Program will be reviewed by the Dean and evaluated for its own merit and the procedures worked out between the participating institutions.
5. Final approval for exchange programs within Canada will rest with the President of Nunavut Arctic College. [refer to Policies C.53 Field Trips and G.16 Travel Within Canada]
6. Approval for international travel to participate in exchange programs must come from the Minister Responsible for Nunavut Arctic College on the recommendation of the President of Nunavut Arctic College. [See Policies C.53 Field Trips and G.17 International Travel]
